How to redeem: enter promotional code 12HUNGRY at checkout to receive \$12 off your first Amazon Restaurants order.

The Promotional Code expires December 22, 2018. Promotional Code only applies to customer's first Amazon Restaurants order. Promotional Code is subject to the minimum order amount in your delivery area. Taxes, tips, alcohol, regulatory fees, and delivery fees do not apply when determining minimum order amount. If the restaurant detail page specifies who fulfills delivery, then Promotional Code only applies to orders with delivery fulfilled by Amazon (look for "delivery fulfilled by Amazon" on the restaurant detail page). Orders delivered by the restaurant do not qualify for this offer. Items must be purchased in a single order and delivered at the same speed to an eligible address serviced by Amazon Restaurants in the Austin, Houston, Los Angeles, or Minneapolis region(s). Promotional Code does not apply to orders placed through Daily Dish, digital content, alcohol or to orders placed through voice shopping using Alexa. Delivery fees and taxes may apply to the full value of discounted and free promotional items. Offer limited to one per customer and account. The maximum benefit you may receive from this offer is \$12. Offer may not be combined with other offers. Amazon reserves the right to modify or cancel the offer at any time. Offer is non-transferable and may not be resold. Promotional Code discount will be allocated proportionally among all promotional items in your order. If your Amazon Restaurants order is canceled, refused, or returned, your refund will equal the amount you paid for the applicable item(s), subject to applicable refund policies. If you violate any of these terms, the offer will be invalid. Unless an Amazon Gift Card is the stated benefit of the promotion, promotional codes (including those placed directly in accounts) may not be redeemed for Amazon Gift Cards.
